August 22, 2011

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2010-2011 educational progress for the Ishpeming High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, Adequate Yearly Progress (AYP) and teacher quality. If you have any questions about the AER, please contact Vicki Lempinen for assistance.

The AER is available for you to review electronically by visiting the following web site www.ishpeminghighschools.org/ or you may review a copy from the Ishpeming High School office at your child's school.

For 2010-2011, Ishpeming High School made Adequate Yearly Progress (AYP) in English language arts and mathematics. While we are pleased to have reached this important goal, we are continuously working to improve. We appreciate the continued support of parents, staff and our community in this effort.

Students in grades 9-12 of the Ishpeming School District are all assigned to the Ishpeming High School. For those students outside of the district who desire to attend Ishpeming High School, Schools of Choice applications can be acquired through the Superintendent's Office.

There are no specialized schools within the Ishpeming School District.

Copies of the core curriculum can be acquired through the High School Office and the Superintendent's Office of the Ishpeming School District. Curriculum is reviewed every five years. Teachers are required to teach the Michigan Merit Curriculum.

MEAP, MME, and ACT test scores are kept in the High School Office as well as results from the PLAN test. Results from final exams issued locally are also kept in the High School Office.

Parent/teacher conferences were held in the fall with a 34% attendance rate by parents. 94 parents were in attendance.

During the 2010-2011 school year, one student was dual enrolled. We offer AP English with 21 students or 34% of our seniors taking advantage of it this past year. 18 students chose to take the final test to qualify them for college credit. Of the 18, 12 students or 67% received a qualifying score making them eligible for college credit, with four students receiving a perfect score.

Ishpeming High School has a legacy of outstanding academic performance by its students which is a culmination of effort by students and parents as prepared for by outstanding educators.

Sincerely,

A handwritten signature in cursive script that reads "Vicki Lempinen". The signature is written in dark ink and is positioned below the word "Sincerely,".

Vicki Lempinen
